

BOP DHB recognises that the request of this service is above and beyond the payment schedule under Section 88 and also incurs greater costs to the LMC for supporting a remote predominantly Māori community who experiences the various complexities related to post-colonisation and quintile 5 level of deprivation.

Module	Funding amount	Conditions (not an exhausted list)
Support through 1 st trimester	\$100	Upon provision of evidence of completed modules at each stage of service
Support through 2 nd trimester	\$100	
Support through 3 rd trimester	\$200	
Support through labour and delivery	\$300	
Community/ home based post-natal support (eg. 9 visits)*	\$600	
For completion of 100% of the above modules	\$500	Demonstration that the LMC service has completed all of modules will release the final payment.
TOTAL per pregnancy (additional to Section 88 payments)	TOTAL: \$1,800	

The above COVID response primary maternity funding package will be available to women who reside in Murupara or surrounding areas who enrol with a designated LMC between April 2020 – 31st March 2021 (prior LMC enrolments eg. before April 2020 may also be eligible for expanded package). **Consideration around the continuation of this funding package will occur over this same time period.**
