

Information for Graduate Midwives: Vulnerable Children Act Requirement

Midwifery Council of New Zealand

Getting Job Ready as a Qualified Midwife

Introduction

Congratulations on your recent graduation and registration as a midwife, we wish you all the best at this exciting time in your career.

Before you can begin your employment, it's a legislative requirement under the Vulnerable Children Act 2014 (the Act) for you to complete a Children's Worker Safety Check as a new worker. CVCheck has been contracted by the Ministry of Health to provide this service to you.

CV Check (NZ) Ltd (CVCheck) provides independent third-party safety checks on children's workers to help individuals and employers comply with their obligations under the Act. These safety checks involve gathering a range of key information about a person and evaluating this information to determine whether the person poses any risk in being employed to work with children.

CVCheck has been Gazetted by the Director-General of Health and selected as the provider of Children's Worker Safety Checks for specific groups of children's workers from the Ministry of Health, Ministry of Education and Ministry of Social Development (see <https://gazette.govt.nz/notice/id/2017-go730>)

Your Children's Worker Safety Checks

The checks that we'll be conducting for you are:

- Employment verification
- Telephone/video interview
- Children's Worker Safety Check Risk Assessment

And the total cost for these will be \$139.07

You will receive a **Final Assessment** which details the outcome of each of your checks. You can view a sample by visiting this page on our website: <https://cvcheck.com/gnz/cwsc-assessment>

The result of this Final Assessment is either:

- Clearance to work with children for 3 years; or
- Notice that your clearance has been declined.

You can easily download and share your Final Assessment report directly from your CVCheck account.

To get your checks underway, click on the following link <https://ww4.cvcheck.com/checks/ZM3CVU7>. Further instructions are on the next page.

If you need any help ordering your checks or would like to learn more on how we can help your organisation screen your employees, please call CVCheck's customer service team on 0800 282 432.

2 options to verify your identity

Option 1 – RealMe Verification

If you have a RealMe verified identity, you can use your credentials to verify your identity online. This is the quickest and easiest option as you won't have to provide copies of certified ID (option 2). If you want to use your RealMe login, please do the following when prompted:

1. Select "RealMe (only if RealMe verified)" as your type of ID:

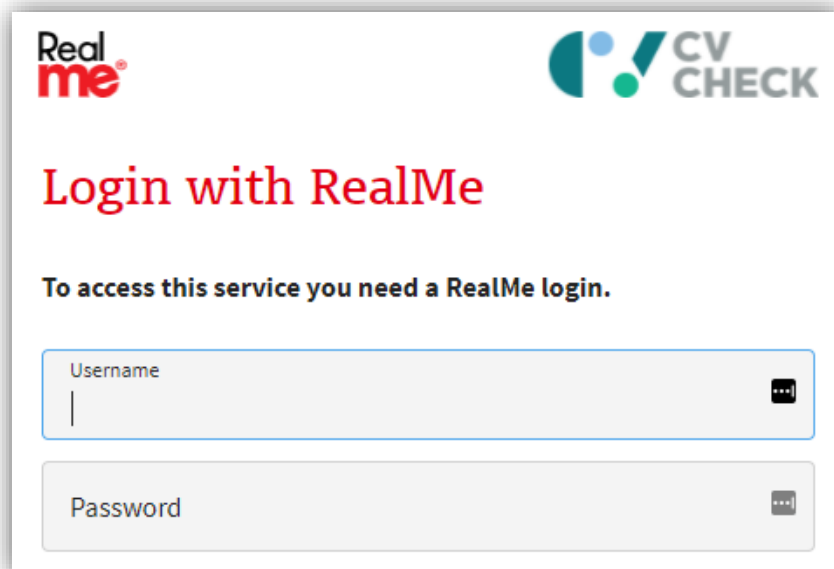

The following checks require you to select the type of ID you wish to provide.

Choose the same ID Provider where possible.

Please only choose RealMe as your selection if you already have a RealMe account.

Check Name	Type of ID
New Zealand: Police Vetting	RealMe (only if RealMe verified) <input type="text"/>
New Zealand: Children's Worker Safety Check - Assessment	<input type="text" value="Please Select"/> ID Document Verification (NZ ID Check) RealMe (only if RealMe verified)

2. Enter your RealMe credentials:

The image shows a login screen for CV Check. At the top left is the RealMe logo, and at the top right is the CV CHECK logo. The main heading is "Login with RealMe" in red. Below it, a sub-heading reads "To access this service you need a RealMe login." There are two input fields: "Username" and "Password", each with a small icon to its right. The fields are currently empty.

3. Follow the steps and provide your consent to use RealMe. If you don't already have a RealMe login, you can easily create one by going to <https://www.realme.govt.nz/how-apply/>. We strongly encourage you to do so as you'll then have to upload copies of certified ID (Option 2).

Option 2 – Upload copies of Certified ID

If you don't verify your ID using RealMe, you must provide **certified copies** of 2 forms of ID. The information below explains what ID is accepted and how you should provide this to CVCheck.

Accepted ID:

1. Go to the CVCheck website at <https://cvcheck.com/nz/id-requirements>.
2. Click on the New Zealand: Police Vetting and Children's Worker Safety Checks section.
3. Choose one form of ID from Category A (Eg. Passport, NZ Birth Certificate, NZ Citizenship Certificate).
4. Choose one form of ID from Category B (Eg. NZ Drivers Licence, NZ 18+ card, IRD Card/Statement, Utility bill, Student Photo ID).
5. Have both forms of ID certified as true copies of the original documents. This can be done by a lawyer, notary public, Justice of the Peace or court official. To view a full list of people authorised to certify documents, visit <https://cvcheck.com/nz/id-who-can-certify>.
6. If neither of the documents you have chosen contains a photograph of you, you will need additional documentation from an Identity Referee (see instructions below).
7. Scan or photograph your ID documentation and upload this to your order. Further instructions below in the "How to upload your certified ID" section.

Please note:

- I. All ID must be valid/not expired (except passports - may be expired up to two years).
- II. All ID must be in the same name. Unless accompanied by a change of name document.
- III. If neither your category A or B ID documents contains your photograph you will also need documentation from an identity referee (see instructions below).

How to certify copies of your ID:

Copies of ID can be certified as true copies of the original documents by a lawyer, notary public, Justice of the Peace or court official. To view a full list of people authorised to certify documents, visit <https://cvcheck.com/nz/id-who-can-certify>.

Identity Referee:

When your chosen ID documents do not contain a photograph of you, you must provide additional documentation from an Identity Referee.

The identity referee **must**:

- be 16 years of age or older, and
- have known you for at least 12 months

The person who is an identity referee **cannot**:

- be a relative or a member or part of their extended family group
- be a spouse or partner
- live at the same address

Identity Referee Documentation Options

Choose either Option A or Option B to complete your Identity Referee documentation:

Option A

- Submit a photograph of yourself authenticated by an identity referee
- Write on the back of a photograph a statement such as: “This is a true and correct likeness of (your full name)”
- Include the referee’s name, contact details, signature & date on the back of the photograph

Option B

- Submit a written statement signed and dated by an identity referee that verifies that the primary identity document relates to you.
- Include the referee’s name, contact details, signature & date on the verification statement

How to upload your certified ID

Once you have certified your accepted ID documents, you need to scan/photograph them and upload these to your order:

1. Select “ID Document Verification (NZ Certified ID Check)” as your type of ID:

The following checks require you to select the type of ID you wish to provide.

Choose the same ID Provider where possible.

Please only choose RealMe as your selection if you already have a RealMe account.

Check Name	Type of ID
New Zealand: Children's Worker Safety Check - Assessment	<div style="border: 1px solid #ccc; padding: 2px;"><div style="background-color: #f0f0f0; padding: 2px;">Please Select</div><div style="padding: 2px;">Please Select</div><div style="background-color: #f0f0f0; padding: 2px; border: 2px solid red;">ID Document Verification (NZ Certified ID Check)</div><div style="padding: 2px;">RealMe (only if RealMe verified)</div></div>

2. Click “Upload ID” to upload you scanned/photographed documents

NZ Certified ID Check Back

To enable us to process the NZ checks you have ordered and ensure we conduct the checks on the right person, you must provide **1 x Category A** document and **1 x Category B** document. The combination of both documents **must include your full name and date of birth**. Sufficient **Change of Name** documentation must also be provided if any ID is not in your current name (showing all links from any different name to your current name).
