

To Change the Default Facility in the AIR

To change the default facility in the Aotearoa Immunisation Register (AIR), you'll need to click on this banner across the top of the screen and select **'change today's facility'**.

You can then select the site you want to make your default and click the **'Save as your default facility'** box and **'Confirm'**.

What facility are you logging in at?

You are currently working at: ABC Clinic
Facility address: 123 Mickey Mouse Street
